In response to a call from the Chairman, Mr. Hill, the Merrimack County Delegation met in Room 9, January 25, 1911, at the close of the morning session.

The chairman, Mr. Hill, stated that he had arranged with the County Commissioners in regard to the visitation to the County Farm, and that on January 30th, 1911, a special car would leave the Concord station at 9.20 a. m., and urged a full attendance, as there were many important matters to be considered.

Mr. Farrand of Concord suggested that an inspection of the jail ought to be made at some future time, and the Chairman stated that he would confer with the Commissioners after the visit to the County Farm.

On motion of Mr. Ahern of Concord, the meeting adjourned at 12.45 to meet again January 30th, 1911, 9.30 a. m. at the Railroad Station.

NORTH BOSCAWEN, January 30, 1911.

Agreeable to arrangements made by the Chairman, the Merrimack County Delegation, together with the Commissioners and other invited guests, visited the County Farm at North Boscawen, Monday, January 30, leaving Concord in a special car attached to the 9.20 A. M. train and returning at 2.15 P. M.

Immediately after arriving the delegation made a thorough inspection of the different buildings and found

everything in excellent condition, and the fact brought forth favorable remarks from all present.

The Convention was called to order by Chairman Hill at 11 o'clock, the roll was called by Clarence O. Philbrick, Clerk, and showed thirty-seven (37) of the fifty-one (51) members were present.

The report of the special committee, who were appointed to confer with the Commissioners, was read by the Chairman, Mr. Hill, and was accepted and its recommendations unanimously adopted.

These items included the remodeling of the old building formerly used for the insane into a ward for criminals in order that they may be better separated from the almshouse inmates.

Mr. McNulty of Concord moved that the Commissioners be authorized to purchase two (2) pony chemical engines, one to be stationed at the main building and one at the heating plant, so as to protect the barns and other buildings on the east side of the highway, and to organize a fire brigade and drill, and it was so voted.

The Commissioners' report was as follows:-

CONCORD, N. H., Jan. 23, 1911.

To the Merrimack County Delegation
Legislative Session of 1911,

GENTLEMEN:

We herewith submit our estimate of expenses of Merrimack County for each of the years 1912 and 1913.

County Farm,	$16,000.00
Paupers off farm,	27,000.00
Aid to soldiers and sailors,	5,300.00
County Jail,	4,000.00
Court house and county offices,	3,500.00
Salary and expenses of County officers,	4,900.00

Superior Court,	10,000.00
Maturing Bonds,	6,000.00
Interest,	1,300.00
Miscellaneous,	1,000.00
Total,	$79,000.00

While this is the lowest appropriation for many years, we believe it will be ample to meet all necessary expenses for 1912 and a like sum for the year 1913.

The following figures taken from the annual report of 1910, which is now in the hands of the printer, shows the County to be in a most healthy financial condition.

Cash in hands of Treasurer, Jan. 1, 1911,	$46,619.43
Total debt, including outstanding bonds,	44,519.32
Net Surplus,	$ 2,100.11
Net debt, Jan. 1, 1910,	$13,353.68
Surplus over all liabilities Jan. 1, 1911,	2,100.00
Decrease in debt during year,	$15,453.79

During the past six years the debt of Merrimack County has been decreased over $85,000.00, the taxes gradually reduced and the valuation of the property owned by the County increased over $50,000.00.

We would respectfully submit for your consideration, the matter of remodeling a portion of the insane building at the farm into a House of Correction. The present quarters in the basement of the almshouse building are unsatisfactory to say the least. This would allow the keeping of the prisoners entirely apart from the almshouse, which we believe should be done.

We would also suggest for your consideration the matter of placing saw and tool proof guards on the cell doors and windows of the new part of the County Jail, and so changing the heating apparatus that this otherwise modern jail can be used with comfort and safety.

We are of the united opinion that these improvements could all be made without any special appropriation by taxation, or the issuing of bonds or notes of the county.

Respectfully submitted,

ARTHUR H. BRITTON
JOHN F. JEWELL
HERBERT W. DUSTIN
Commissioners of Merrimack County.

On motion: of Mr. Ahern of Concord, seconded by Mr. Pillsbury of Concord, it was

VOTED: That the sum of seventy-nine thousand dollars ($79,000.00) be raised and appropriated for the year of 1912.

On motion of Mr. Couch of Concord, seconded by Mr. Keeler of Concord, it was

VOTED: That the sum of seventy-nine thousand dollars ($79,000.00) be raised and appropriated for the year 1913.

Mr. Britton for the Commissioners explained matters in regard to the proposed improvement at the County Jail, installing a new heating plant, which would call for about $500.00, and tool proof guards at the cell doors, and windows, all of which could be done for about twenty-five hundred dollars ($2,500).

Mr. Ahern of Concord moved that the Commissioners be authorized to make such improvements to the reservoir and pipes as may be needed, and it was so voted.

Mr. Rolfe of Concord moved that the Commissioners be authorized to make the improvements in accordance with their suggestions, and it was so voted.

It was stated that the Commissioners believed that could be accomplished without calling for additional funds.

Chairman Hill complimented the Commissioners by saying:

"If the affairs of the State of New Hampshire were as well managed as those of Merrimack County the state taxes would be much reduced."

On motion: of Mr. Pillsbury of Concord the meeting adjourned at 11.55 A .M.

An excellent dinner was served at noon by Supt. F. G. Evans and wife and their assistants and afterwards Mr. McNulty of Concord moved that a vote of thanks be offered Supt. and Mrs. Evans. Mr. Rolfe of Concord seconded the motion, and it was so voted.

CONCORD, N. H., March 29, 1911.

In response to a call from the Chairman, Mr. Hill, the Merrimack County Delegation met in Room 8, Wednesday, March 29, 1911, at 8.15 a. m.

Mr. Eastman of Boscawen presented a resolution in behalf of Mr. Colby of Canterbury authorizing the County Commissioners to sell the whole or any part of the County Farm land lying between the railroad and the Merrimack river for any sum per acre as they might consider reasonable.

Mr. Curtis of Concord moved to adopt the resolution in order to get it before the Delegation.

Mr. McNulty of Concord objected, stating that he

thought that the delegation ought to know more about the proposition before any action was taken on the matter, and moved that the Chairman appoint a committee of five to investigate and report to the Delegation sometime next week, and the Chairman appointed the following members of the Committee:

Mr. McNulty of Concord, Chairman.
Mr. Clough of Canterbury.
Mr. Rolfe of Concord.
Mr. Langley of Wilmot.
Mr. Mitchell of Hooksett.

Mr. McNulty of Concord appointed Saturday, April 1st, at 9.20 a. m., as the day for the investigation.

Mr. Cummings of Concord moved to adjourn.

CONCORD, N. H., April 12, 1911.

In response to a call from the Chairman, Mr. Hill, the Merrimack County Delegation met in Room 8, at 9.30 a. m. April 12, 1911.

Mr. McNulty of Concord for the committee of five reported that they had investigated the situation thoroughly and talked with Mr. Colby in regard to the land and reported that it was inexpedient to sell.

Mr. Ahern of Concord objected to selling any of the County land.

Mr. Drake of Pittsfield moved that the report of the Committee be accepted.

Mr. Upton of Bow, then explained the situation in regard to development of the property, that the land was worthless to the County as it now stands.

Mr. Langley of Wilmot objected to selling the land.

Mr. Osgood of Pittsfield moved that the report of the Committee be accepted and it was so voted.

Mr. Pillsbury of Concord moved that the resolution of Mr. Eastman be reported inexpedient and it was so voted.

The meeting adjourned at 10.05 on motion of Mr. Dearborn of Concord.

REPORT OF THE COUNTY COMMISSIONERS.

To the Citizens of Merrimack County:

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of Farm and House of Correction, Clerk of the Superior Court, Sheriff, Jailer, Solicitor, Farm Physician, Chaplain and Auditors for the year ending December 31, 1911.

County Farm.

The County Farm at North Boscawen continues in charge of Mr. and Mrs. Fred G. Evans, as Superintendent and Matron. To their efficient work, supported by an able corps of assistants, much credit for the year's successful record is due. During the year much work has been done in the way of general repairs and permanent improvements. Two large silos have been built, a new hose house for the new hose reel and chemical engine has been erected, a considerable amount of painting, and other necessary work to keep the buildings in good repair has been done. There has been but comparatively little sickness among the inmates during the year. In this connection, it may be well to state that the institution is fortunate in having a pure water supply and a good system of sewerage. The stock at the farm is continually being improved, and at the present time includes 55 head of high grade and pure bred Holstein cattle. The farm is in a high state of cultivation, and must necessarily be kept so, in order to provide the large amount of necessary

produce required for the institution. The superintendent's report on another page, will show the number of people cared for, the amount of crops raised, cash receipts for produce sold, etc., and other statistics regarding the farm.

House of Correction.

At a meeting of the Merrimack County Legislative Delegation held at the farm, Jan. 30, 1911, it was unanimously voted to remodel a portion of the building formerly used for the insane, to be hereafter used for a House of Correction for the confinement of prisoners under sentence from the courts. This work was begun as soon as possible, and the building is now practically ready for occupancy. The mason work, steel work, plumbing, lighting, heating and ventilating was awarded by contract to the lowest bidders. The building is practically fire proof and is provided with proper light and ventilation. The floors are of steel and concrete and are connected by iron stairs. The windows are provided with tool proof gratings. On the first floor is the keeper's office, clothing rooms, bath room, containing three shower baths, dining corridor, six tool proof steel cells with two bunks in each, and a sink and pantry room. In the basement are the toilet and storage rooms. On the second floor is the keeper's sleeping room, a room for bedding, toilet and a large dormitory, furnished with single iron beds. The cell and dormitory plan, allow for the classification of prisoners, which will meet a long felt need. In the future it will be possible to keep the prisoners entirely apart from the almshouse inmates, which we believe should be done. It is the policy to provide work of some sort for all who are under sentence. All those, not needed for work on the farm or about the

buildings, are employed in chopping wood, in charge of an officer of the farm. During the past fall a number were employed on the state road.

Expense of Maintenance.

Amount of orders drawn against the farm for the year 1911,		$23,868.90
Increase in Inventory,	$1,581.14	
Amount sold from the farm,	7,402.86	
Amount due the farm,	1,539.00	10,523.00

Grain and fertilizer,	204.00
Groceries and provisions,	1,031.79
Furniture, bedding, dry goods and clothing,	6,123.96
Laundry machinery and fixtures,	850.00
Drugs and medicines,	350.00
Fire apparatus,	1,150.00
Miscellaneous,	515.70
	$21,929.47

County Poor Away from Farm.

Included under this head are all those, except soldiers and their families, who receive aid in the different cities

and towns of the county. It also includes the support and care of dependent children in public and private homes. To properly care for this class of county charges is a difficult problem, and requires much time and attention. Each new case must be personally investigated and disposed of as circumstances seem to warrant. The total cost in this department for the past year was $25,755.53, which is a reduction of $795.30 from the year previous.

Jail.

The Merrimack County Delegation, at a meeting held during the legislative session of 1911, authorized the Commissioners to replace the corridor gratings and cell doors in the new part of the jail with tool proof material. In accordance with this, proposals were asked for, and the contract awarded to The Pauly Jail Building Co. of St. Louis, the lowest bidders, for the sum of $1,702.00. This work has been completed and the new part of the jail is now occupied with safety. A new boiler has been installed, the cells painted, walls whitened, new bedding provided, and all other necessary repairs to the buildings have been made. The affairs at the jail are in a satisfactory condition, and are in the direct charge of Sheriff Charles P. Smith.

Finances of the County.

As will be seen by the following figures, the finances of the county are in a very satisfactory condition.

December 30, 1911.

Cash in hands of Treasurer,	$47,978.97
Total debt,	30,000.00
Net cash surplus,	$17,978.20

Cash surplus, January 1, 1912,	$17,978.20
Cash surplus, January 1, 1911,	2,100.11
Net increase in surplus during the year,	$15,878.09
Valuation of almshouse, court house and jail	$199,761.00
Valuation of personal property at almshouse,	21,929.47
Valuation of personal property at court house,	4,625.50
Valuation of personal property at jail,	430.00

The debt of the county consists of $30,000. outstanding bonds, issued in 1897 and the last one maturing in 1916. There are no outstanding notes, and all bills are paid which were presented for payment at the close of the year. Seven years ago, Merrimack County had a net debt of $80,150.56, to-day it has, in place of any net debt a cash surplus over all indebtedness of $17,978.20.

During this period, the valuation of property owned by the county has been increased, $62,812.42, and the county taxes reduced from $94,400.00 to $79,000.00 per annum. We trust that this condition of affairs will find approval with the citizens and tax payers of the county.

For the cordial and hearty support which has been extended to us by the Merrimack County Legislative Delegation, the various societies and organizations, officers and citizens of the county, we desire to express our sincere appreciation.

Respectfully submitted,

Arthur H. Britton
John F. Jewell
John G. McQuilkin

AUDITOR'S REPORT.

We hereby certify that we have audited the accounts of the county commissioners, county treasurer, and superintendent of the county farm, of Merrimack County, from January 1, 1911, to December 31, 1911, and have found the same correctly cast and supported by proper vouchers. We believe that all purchases have been made at reasonable prices, and have been used for county purposes.

W. J. Ahern,
F. E. Webster,
County Auditors.

To the Auditors:

We hereby certify that the floating indebtedness of the county on January 1, 1912, to the best of our knowledge and belief, does not exceed five hundred dollars, aside from the amount due cities and towns for the support of paupers away from the farm, for the support of soldiers and their families, and for the salaries of county officers for the last quarter.

Arthur H. Britton
John F. Jewell
John G. McQuilkin

Merrimack, ss., February 2, 1912.

Personally appeared Arthur H. Britton, John F. Jewell and John G. McQuilkin, and made oath to the above statement.

SOLICITOR'S REPORT.

To the County Commissioners for the County of Merrimack:

GENTLEMEN:—The report of the office of Solicitor for the year ending December 31st, 1911, is herewith submitted.

At the April Term, the grand jury returned twenty indictments against eighteen respondents, as follows:

Assault with intent to rape,	1
Breaking and entering,	5
Carrying concealed weapons,	2
Embezzlement,	1
Forgery,	4
Larceny,	3
Selling horse unfit for labor,	2
Violation of liquor laws,	2

At the October Term, the grand jury returned eight indictments against seven respondents, as follows;

Aggravated assault,	1
Assault with intent to kill,	1
Assault with intent to murder,	1
Breaking and entering,	1
False pretenses,	1
Violation of liquor laws,	3

I have filed one information for violation of the liquor laws, to which the respondent pleaded guilty.

A large number of cases were tried before the police courts of the county, charging the respondents with misdemeanors.

During the year two respondents were committed to the state prison; eleven respondents were committed to

jail, two of this number being committed for two separate offenses; one respondent was committed to the house of correction; one respondent was committed to the industrial school, and one minor was committed to the custody of an agent appointed by the court.

Fines were imposed to the amount of six hundred and fifty dollars.

Three respondents were tried by the jury, who returned a verdict of guilty in two cases and not guilty in one.

Two respondents who were indicted have not as yet been apprehended.

One case is now pending before the supreme court.

The remaining cases were disposed of on payment of costs.

The indictment against Charles E. Whitham returned at the October Term, 1904, was found defective, and Whitham was again indicted at the October Term, 1911.

This indictment is for assault with intent to murder and the case will be in order for trial at the April Term, 1912.

The act passed at the session of the legislature of 1911, requiring police courts or justices to file with the solicitor attested copies of cases to be presented to the grand jury, within ten days after having been heard by them, will materially assist this office in the preparation and presentment of the same.

A change in the present method of paying witnesses for attendance at court should be made, in order to assure prompt payment instead of waiting many weeks as is now the case.

Respectfully submitted,

THOMAS F. CLIFFORD,

County Solicitor

When the prisoners are lodged in their new quarters we shall consider this an ideal county institution.

I thank you gentlemen, for your kindness in granting all I have asked, for the comfort of my patients; Mr. and Mrs. Evans for their watchful care and sympathy, and the nurses for their faithfulness.
